

NTAC Booking for 2020 Ski Season Accommodation

1. Bookings are open for the 2020 ski season from 21 June 2020.
2. Members preferential booking will commence on 21 June and close on 1 July 2020. Allocations from these booking requests will be notified by 5 July 2020.
3. Due to capacity restrictions resulting from COVID-19, bookings made during the priority period will be held and collated to provide an opportunity for as many families as possible to secure bookings this season.
 - Members placing bookings for multiple dates must list them in priority order to enable equitable distribution of beds. If there is still capacity following allocation of first preferences then confirmations will continue until capacity is reached. The order that bookings are received will only be used to determine allocations where a number of bookings have been made for the same dates and capacity to accept all does not currently exist.
 - Bookings for members and their guests will be accepted during this time. Member bookings will be confirmed before any guest bookings are considered. At the conclusion of the member priority period we will commence member guest confirmations and will address these in the order that they are received.
6. At the conclusion of the member priority booking period booking allocation will revert to confirmations being made in the order that bookings are received.
7. A waitlist will be managed where capacity does not exist to confirm bookings at the time that the request is placed.
8. Bookings will only be accepted from financial members. All outstanding work bee levies, member annual subscription fees or any other dues owed to the club must be paid up in full.
9. All booking requests must be lodged via the website www.ntac.org.au, or email to bookings@ntac.org.au
